

29th Annual Ride for The Kennedy Children's Home

Kennedy Children's Home, Ride for The Children will be held on November 27th 2021, benefiting the Kennedy Children's Home in Kinston, N.C. The Kennedy Children's Home has assisted hundreds of children through some of the most difficult situations in life since 1914.

KCH houses youth between the ages of 1 and 18 from 39 counties in North Carolina. These youth have either been abandoned by their families, have no families, or have been placed at the center by the North Carolina Court system.

Over the years this RIDE has become an overwhelming success due to the donations and sponsorships by local merchants. All proceeds raised by this event are donated to the Kennedy Home.

A door prize or sponsorship donation made by your business would be greatly appreciated. Door prizes will be given to the many participants with recognition going to your business. Sponsorship donations come in five categories:
